## ***More than a Rental.....***

LOW-INCOME KIDS AND TEENS BENEFIT FROM YOUR RENTAL OF CAMP SUMMIT

Our camp is part of the YouthHope urban ministry established in 1936 whose purpose is to bring **hope** to low income kids, teens and their families. As a holistic ministry, we offer food, tutoring, employment training, recreation, Bible studies, and camp experiences through our programs.

Urban kids have an alarming deficit of experiences outside their neighborhoods and housing complexes. Cookouts, retreats or a whole week at Camp Summit are vital to their development and pursuit of God. These children are forever changed by the experiences camp offers them.

Your rental of Camp Summit allows us to operate the camp for underprivileged kids. Your group becomes a part of the **hope** for urban youth.
