CAMP SUMMIT

Do you want to impact lives for eternity?

a ministry of Christian Friendliness

What is Camp Summit?

Camp Summit is located 30 miles south of the Quad Cities in beautiful New Windsor, Illinois. Camp Summit is an extension of Christian Friendliness, an inner city ministry in the heart of the Illinois Quad Cities.

Our camp provides a place for kids and teens to withdraw from the pressures and temptations of the streets. Campers can find challenges to help them grow and reach the next level of personal discovery and spiritual understanding.

The focus of our programming is to present the gospel to children and teens in a way they can understand and provide them the opportunity to respond to God's love.

You are being offered an awesome opportunity to help urban youth experience the wonders of nature and the depth of God's love. The children you will be investing in are forever changed by the experience that camp offers them.

 Arieo (CF Camper)
